IN THE MATTER OF

TRANSLAND, INC.

Respondent

Docket No. FMCSA-2006-25348
(Federal Motor Carrier Safety Administration)

MOTION FOR ENLARGEMENT OF TIME

At the close of the hearing on this matter on April 23, 2009, the Chief Administrative Law Judge directed that briefs be filed by May 28, 2009 and reply briefs by June 18, 2009. When undersigned counsel had not received the transcript by May 4, 2009 he called the reporter service. Counsel was told that the transcript would not be provided until the invoice was paid. No invoice had been sent. Counsel received the transcript on May 5, 2009.

Respondent's counsel had a hearing on a similar matter in Boston on May 12, 2009. Counsel's daughter is to be married on June 13, 2009.

For the foregoing reasons Respondent's counsel asks that the time for filing of briefs be extended to June 18, 2009 and for reply briefs to July 8, 2009. Respondent's counsel left a voice mail message for the Field Administrator's counsel, describing this request. He was not able to speak to counsel.
